

QUALITY, HEALTH, SAFETY AND ENVIRONMENTAL POLICY

UEM Sunrise Berhad ("UEM Sunrise") is a property developer committed to deliver its customers, employees, stakeholders and vendors with quality products and services, in a safe and healthy workplace, as well as minimise impact to the environment where it operates.

We practice **"QHSE IS OUR RESPONSIBILITY AND CULTURE"** through the involvement of employees, stakeholders and vendors.

As a forward-thinking community builder, we will:

C A R E

Construct an effective QHSE Management System in compliance with legal, customer and other requirements.

Apply the best practices in our QHSE Management System to achieve continuous improvement.

Render QHSE Management System trainings and briefings to employees and vendors continuously to improve awareness and participation.

Enrich our QHSE Management System to achieve customer satisfaction by providing safe and healthy working condition, protecting the environment and providing emergency response where appropriate.
