**(COLLECTIVELY REFERRED TO AS THE "PROPOSED MANDATES")**

### **1. INTRODUCTION**

At our Company's 5<sup>th</sup> AGM held on 12 June 2013, the Company had obtained a shareholders' mandate for our Group to enter into RRPT which are necessary for our Group's day-to-day operations and which are in the ordinary course of business and on terms that are not more favourable to the Related Parties than those generally available to the public ("**2013 Shareholders' Mandate**").

The 2013 Shareholders' Mandate shall, in accordance with the Listing Requirements, lapse at the conclusion of the forthcoming AGM, unless the authority for its renewal is obtained from our shareholders at the forthcoming AGM.

In addition to the renewal of the 2013 Shareholders' Mandate, our Company will also be seeking a shareholders' mandate for our Group to enter into new RRPT with Related Parties.

On 25 February 2014, our Company announced that we propose to seek our shareholders' approval for the Proposed Mandates at the forthcoming AGM.

The Proposed Mandates if approved by our shareholders will be subject to annual renewal. In this respect, any authority conferred by the Proposed Mandates shall only continue to be in force until:

- 1.1 the conclusion of our Company's next AGM at which time it will lapse, unless by a resolution passed at such general meeting whereby the authority is renewed;
- 1.2 the expiration of the period within which the next AGM is required to be held pursuant to Section 143(1) of the Act (but must not extend to such extension as may be allowed pursuant to Section 143(2) of the Act); or
- 1.3 revoked or varied by resolution passed by the shareholders at a general meeting;

whichever is the earlier.

The purpose of this Circular is to provide you with details on the Proposed Mandates, together with the Board's recommendation thereon and also to seek your approval for the resolutions in respect of the Proposed Mandates to be tabled at the forthcoming AGM, the notices of which have been set out in the Notice of 6<sup>th</sup> AGM in the Company's Annual Report 2013.

**YOU ARE ADVISED TO READ THE CONTENTS OF THIS CIRCULAR CAREFULLY BEFORE VOTING ON THE RESOLUTIONS PERTAINING TO THE PROPOSED MANDATES.**

## **2. DETAILS OF THE PROPOSED MANDATES**

### **2.1 Details of the RRPT**

Our Company is the flagship company for the property development and real estate investment businesses of UEMG. UEMG is wholly-owned by Khazanah which in turn is the investment holding arm of the Government.

The principal activity of our Company is investment holding whilst our subsidiaries are involved in property development, turnkey development and construction, land trading, property investment, project procurement and management and investment holding.

Our Group, in the ordinary course of business, enter into RRPT which are necessary for the day-to-day operations with certain Related Parties of our Company. Such RRPT will be carried out on an arm's length basis and on commercial terms which are not more favourable to the Related Parties than those generally available to the public and which will not be detrimental to the minority shareholders of our Company.

### **2.2 Proposed Renewal of Shareholders' Mandates**

The details of the RRPT under the Proposed Renewal of Shareholders' Mandates are set out in Items 1A and 1B of **Appendix I** of this Circular.

### **2.3 Proposed New Shareholders' Mandates**

The details of the RRPT under the Proposed New Shareholders' Mandates are set out in Item 2A of **Appendix I** of this Circular.

### **2.4 Amount Due and Owing to UEMS Group by Related Parties**

As at the financial year ended 31 December 2013, our Company has no outstanding amount due and owing arising from RRPT.

## **3. REVIEW PROCEDURES FOR THE RRPT**

- 3.1 Our Company has established the following procedures and guidelines to ensure that the RRPT are undertaken on an arm's length basis and on normal commercial terms that are not more favourable to the Related Parties than those normally available to the public and are not to the detriment of the minority shareholders:-

- 3.1.1 All companies within our Group shall only enter into the RRPT after taking into account the pricing, level of service, quality of product as compared to market prices and industry standards against at least 2 other contemporaneous transactions with unrelated third parties for similar products/services and/or quantities as comparison, wherever possible, to determine whether the price and terms offered to/by related third parties are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantially similar type of products/services and/or quantities. Where quotations or comparative pricing from unrelated parties cannot be obtained, the pricing of any RRPT entered into will be determined based on prevailing market rates under usual commercial terms, business practices and policies or otherwise in accordance with other applicable industry norms/consideration and are not to the detriment of minority shareholders;
- 3.1.2 All RRPT, which are not within the shareholders' mandate and have the values of more than RM1,000,000 or 1% of the percentage ratio (as defined under Paragraph 10.02(g) of the Listing Requirements), shall be reviewed by the Audit Committee before the transactions are entered into;
- 3.1.3 If a member of the Audit Committee has an interest in any particular transaction, he or she will have to abstain from any deliberation (but may be requested by the other members of the Audit Committee to explain or furnish such information as considered necessary) and also voting on the matter at the Audit Committee meeting in respect of that transaction;
- 3.1.4 Proper records shall be maintained to capture all the RRPT entered into pursuant to the shareholders' mandate to ensure accurate disclosure thereof. Disclosure shall be made in the Annual Report of the Company of the aggregate value of transactions conducted in accordance with the given mandate;
- 3.1.5 The Audit Committee shall review relevant audit reports to ascertain that the guidelines and the procedures established to monitor the RRPT are complied with;
- 3.1.6 The Audit Committee shall have overall responsibility for the determination of the review procedures;
- 3.1.7 The Audit Committee may periodically review the relevant RRPT and the existing procedures to ascertain that they have been complied with; and
- 3.1.8 If during the periodic review, the Audit Committee is of the view that the abovementioned procedures are no longer sufficient to ensure that the RRPT are undertaken on an arm's length basis and on normal commercial terms that are not more favourable to the Related Party than those normally available to the public, the Audit Committee shall have the discretion to request for additional procedures to be imposed on all the RRPT. In that event, such procedures may be implemented without the approval of shareholders, provided that they are more stringent than the existing procedures.

#### **4. STATEMENT BY THE AUDIT COMMITTEE**

- 4.1 The Audit Committee has the overall responsibility of determining whether the procedures for reviewing the transactions that involve the Related Parties are appropriate to ensure compliance with the relevant statutory requirements. The Audit Committee has reviewed the procedures on the RRPT mentioned in paragraph 3 above and is of the view that the stipulated procedures are sufficient to ensure that the RRPT are not more favourable to the Related Parties than those generally available to the public and are not to the detriment of our minority shareholders.
- 4.2 The Audit Committee is of the view that our Group has in place adequate procedures and processes to monitor, track and identify RRPT in a timely and orderly manner and may periodically review the existing procedures to ascertain that they have been complied with.

## 5. RATIONALE FOR THE PROPOSED MANDATES

- 5.2 The Proposed Mandates will enable our Group to carry out recurrent routine transactions necessary for day-to-day operations, which are time-sensitive in nature, and will eliminate the need to announce and to convene separate general meetings on each occasion to seek prior approval of our shareholders for the RRPT.

## APPENDIX II

### ADDITIONAL INFORMATION

#### 1. DIRECTORS' RESPONSIBILITY STATEMENT

Our Directors have seen and approved this Circular and they collectively and individually accept full responsibility for the accuracy of the information in this Circular. They confirm that, after making all reasonable enquiries and to the best of their knowledge and belief, there are no facts the omission of which would make any statement in this Circular misleading.

#### 2. MATERIAL LITIGATION

As at the LPD, save as disclosed below, neither we nor any of our subsidiaries are engaged in any material litigation, claims and/or arbitration either as plaintiff or defendant, which may affect our income from, title to, or possession of any of our assets and/or business, and we are not aware of any proceedings, pending or threatened, or of any facts likely to give rise to any proceedings which may affect the income from, title to, or possession of any of the assets and/or business of our Group:

**Writ of Summons and Statement of Claim in High Court Suit No. 22 NCVC -297-04/2013 (“Claim”) filed by Rakyat Holdings Sdn Bhd (“Rakyat Holdings”) against Aurora Tower @KLCC Sdn Bhd (“Aurora Tower”), a wholly owned subsidiary of Sunrise Berhad which in turn is a wholly owned subsidiary of UEMS**

On 12 April 2013 Aurora Tower was served with the Claim filed by Rakyat Holdings. The Claim alleges breach of an agreement dated 14 January 2008 between Rakyat Holdings and Aurora Tower, for the sale of land held under Geran 4733, Lot 149, Seksyen 0058, Bandar Kuala Lumpur (“**Land**”). The principal relief sought in the Claim is an order for Aurora Tower to re-deliver ownership, title and vacant possession of the Land to Rakyat Holdings and general damages.

Aurora Tower’s solicitors believe that Aurora Tower has a good defence to the Claim and will be vigorously defending it. Parties agreed to a court sponsored mediation on 3 December 2013, however both parties could not reach an amicable solution. The High Court has fixed the matter for final case management on 6 June 2014 and trial to begin on 7-10 July 2014.

#### 3. CAPITAL COMMITMENTS AND CONTINGENT LIABILITIES

##### 3.1 Capital commitments

As at the LPD, save as disclosed below, our Board is not aware of any capital commitments incurred or known to be incurred by our Group in relation to property, plant and machinery and investment property:

	<b>RM million</b>
Approved and contracted for	2.6
Approved but not contracted for	24.1
<b>Total</b>	<u>26.7</u>

The capital commitments above are in relation to the development costs for the construction of a club house and a neighbourhood commercial centre which will be used for business and investment purposes.

##### 3.2 Contingent liabilities

As at the LPD, save as disclosed below and the material litigation set out in Section 2 of this Appendix II, our Board is not aware of any material contingent liabilities, which may, upon being enforceable, have a material adverse effect on our Group’s profits or NA:

**(i) Potential compensation payable to Felcra Berhad (“Felcra”) settlers**

A group of 38 Felcra settlers (“**Plaintiffs**”) has collectively served an originating summons against Felcra, the District Land Administrator (“**DLA**”) and the Johor State Government (collectively, “**Defendants**”). The Summons pertain to 198 acres of land previously owned by the Johor State Government, developed by Felcra and subsequently alienated to Bandar Nusajaya Development Sdn Bhd (“**BND**”), our indirect wholly-owned subsidiary, for the development of Nusajaya, Johor Darul Takzim.

The Plaintiffs seek, *inter-alia*, an additional total sum of RM54.0 million and an acre of land to each Plaintiff from the Defendants.

On 12 January 2010, the High Court of Malaya (“**High Court**”) has made a decision against Felcra for breach of contract and dismissed the Plaintiffs action against the DLA and the Johor State Government. On 8 February 2010, the Plaintiffs filed a notice of appeal to the Court of Appeal to appeal against the decision of the High Court on the quantum against Felcra and the dismissal of the action against the DLA and the Johor State Government. The Court of Appeal dismissed the appeal on 28 June 2011. The Plaintiffs’ appeal to the Federal Court against the decision of the Court of Appeal was allowed on 15 October 2012. The notice of appeal to the Federal Court was filed by the Plaintiffs on 22 October 2012. The Federal Court has fixed 14 May 2013 for hearing of the appeal.

On 14 May 2013, the Federal Court decided in favour of the Plaintiffs where it stated, among others, that the Plaintiffs are entitled to approximately RM 26.9 million with payments previously received by the Plaintiffs to be taken into account and deducted from this total amount. At present, the balance amount payable is uncertain as there are certain disputes between the parties on the items to be deducted and both parties have written to the Federal Court for clarification on this matter. As at the LPD the sealed Order has yet to be issued by the Federal Court.

BND is not directly involved in this litigation, but by virtue of a novation agreement dated 2 December 1994 entered into between BND, UEMG and the Johor State Authority (“**1994 Novation Agreement**”), BND is responsible for the additional costs relating to the lands alienated to it, which include the amount awarded to the Plaintiffs.

**(ii) Potential compensation payable to the previous landowners**

There are altogether 50 cases referred to the High Court involving claims against the Johor State Government for additional compensation amounting to RM634.8 million by the previous landowners of lands acquired for the Malaysia-Singapore Second Crossing Project.

When these 50 cases were heard at the High Court, the High Court maintained the amount of compensation awarded by the DLA in 15 cases, whilst increasing the amount of compensation in 35 others. The parties involved have made further appeals to the Court of Appeal for higher compensation. However, the Court of Appeal ordered that all land acquisition appeals to be transferred to the Federal Court.

Of these 50 cases:

- (a) 1 had been heard and dismissed by the Court of Appeal;
- (b) 4 had been heard and dismissed by the Federal Court;
- (c) 2 had accepted an out-of-court settlement proposed by the Johor State Legal Advisor;
- (d) 4 had withdrawn their cases against the DLA;
- (e) 2 had been granted additional compensation amounting to RM19.5 million by the Federal Court and
- (f) 1 had discontinued the appeal at the Court of Appeal.

The total land appeal cases pending are 36 and the contingent liability is RM68.3million.

BND is not directly involved in this litigation, but by virtue of the 1994 Novation Agreement, BND is responsible for the additional land cost of land alienated to it, which includes the amounts claimed by the landowners in the event their respective claims are successful.

To date, no date has been fixed for hearing.

**(iii) Tax returns**

On 3 October 2011, BND received a notice of additional assessment from the Inland Revenue Board (“**IRB**”) for additional tax payable and tax penalty in respect of the year of assessment 2006, which would have resulted in an additional tax payable and tax penalty by BND amounting to RM73,836,712.01. On 4 September 2012, the Kuala Lumpur High Court had allowed BND’s judicial review application to set aside the additional tax assessment amounting to RM73,836,712.01. The Kuala Lumpur High Court ruled in favour of BND and declared that the IRB had no legal basis to raise the additional tax assessment. IRB on 21 September 2012 filed a notice of appeal to the Court of Appeal to appeal against the decision of the Kuala Lumpur High Court. The Court of Appeal has fixed the matter for hearing on 19 May 2014.

Based on the advice received from our advisers, no provision for income tax and tax penalty have been made by our Group in respect of the above amount as we believe that the grounds for the appeal are valid.

**(iv) Third party charge**

On 18 May 2007, Horizon Hills Development Sdn Bhd (“**HHDSB**”), a 50:50 joint venture company between UEM Land and Gamuda Berhad, entered into the following:

- (a) the issue of, offer for subscription or purchase of, or invitation to subscribe for or purchase of Islamic Securities of up to RM270 million nominal value by HHDSB, comprising:
  - (aa) up to 12-year Islamic Bank Guarantee Medium-Term Notes Programme of up to RM200 million nominal value under the principles of Murabahah (“**IMTN Programme**”); and
  - (bb) up to 7-year Islamic Commercial Papers Programme of up to RM70 million nominal value under the principles of Murabahah; and
- (b) a Kafalah (bank guarantee) facility of up to RM205 million to guarantee the nominal value of the IMTN Programme of up to RM200 million and one profit payment in respect of the IMTN Programme of up to RM5 million,

(collectively referred to as the “**Facilities**”).

In this respect, Nusajaya Greens Sdn Bhd (“**NGSB**”), is a wholly owned subsidiary of BND, who in turn is a wholly owned subsidiary of UEM Land, had provided a third party charge over approximately 1,227 acres of land in favour of the security trustee for the Facilities (“**Charge**”). As at the LPD, 1,048.8 acres out of the total of 1,227 acres have been purchased and paid for by HHDSB.
